

Castlefield Community Centre presents:

Music for a Warming World

.... where science, art and hope converge

The Simon Kerr Perspective perform
a musical event like no other ...
multimedia with stunning visuals
original folk, reggae and world music
telling the biggest story of our time

climate change never sounded so good

'A new way to think about
climate change'

'It really got me thinking about
how I can make a difference'

'Compelling'

Saturday March 5th, 8.00pm

Castlefield Community Centre
505 Bluff Rd, Hampton, 3188

Doors open 7.30, \$15 & \$10 (Concession) at door
